Motion Picture Studio Coming To Sequoia

Metro Goldwyn Mayer . Traveling Stage Here Saturday

Visit to Redwood City of the Metro-Goldwyn-Mayer traveling motion picture studio, now on a world educational tour, is set for tomorrow, June 20, at 1 p. m., Manager Thomas J. Kane of the Sequoia Theatre reported today.

The traveling studio will come up El Camino Real from Palo Alto and will be stationed in front of the Sequoia Theatre.

The completely equipped studio on wheels, constructed by the motion picture company at a cost of $150,000, will be open for public inspection.

The studio, which has traveled across the continent and up the coast from M-G-M studios at Culver City, has aboard it more than $60,000 worth of costly and intricate sound motion picture recording and projection equipment. It is a completely equipped Hollywood studio on wheels.

A Metro-Goldwyn-Mayer director, and a complete staff of camera, soundmen, electricians, and movie makeup experts compose the personnel of the outfit, but motion pictures will not be filmed in this city during its visit.

Its brief stop-over here is being regarded purely as one to permit film fans of this city to inspect the studio, to learn how talking pictures are filmed and recorded and projected. The motion picture technicians with the studio will be available to answer questions.

During the period the studio is open for inspection, the general public will be permitted to enter the studio. They will be escorted through by the motion picture men, and the operation of the sound recording room in one section of the 65-foot outfit, and the sound projection room in the rear compartment of the studio, will be explained in detail.

The studio is hauled by a trackless locomotive equipped with powerful special built Waukesha motors, and this in itself is truly an outstanding sight. Special built camera, pilot and advance cars make up the remainder of the Hollywood caravan visiting this city with the studio.

National Biscuit Selects Tribune For Advertisements

"Mother I'm Hungry" is a phrase that is heard many times a day in every home where rollicking, healthy boys and girls are active in vacation-time play. It's a most natural state of affairs, say those "in the know" and the answer is cleverly given in a new series of Honey Maid Graham Cracker advertisements now appearing in the Redwood City Tribune.

This series of messages emphasizing the crispness and fine honey flavor of Honey Maids is attracting considerable attention. Mothers say the suggestions offered help to hold the lively youngsters in check when they come in from the ball field or the swimming pool.

MODEL MOTION PICTURE STUDIO HERE TOMORROW

(TOP) Voice Recording Studio with complete Western Electric sound equipment and public address system — The Metro-Goldwyn-Mayer traveling motion picture studio on World Tour. (LOWER LEFT) Studio entrance through which the public will pass to view recording and projection of sound pictures. (CENTER) Screen and rear projector system. (RIGHT) Glass enclosed Projection Room showing latest projector and Western Electric Reproducer set.

Ward's Plans Bicycle Race On June 27th

Bikes with colorful streamers!
Bikes resembling wierd animals!
Bikes ridden by men, women and children!

Bikes, bikes, bikes! All over the nation this week more than 50,000 bicyclists will exert their originality in costume, decoration and design and will be pedaling along the streets of more than 500 cities and towns in the biggest bicycle parade ever held.

Such activity must be explained and explained it was, by Thomas Joaquin, Montgomery Ward store manager here, who stated that the company was staging a nation-wide bike sale in all its retail stores which would be climaxed by a parade and contest for the best and most originally decorated bikes.

The Redwood City parade will be held at 12:30 on Saturday, June 27, at the side entrance of the Ward store and will wind its way through the streets of the city.

"We want all boys and girls to join the fun," said Mr. Joaquin, in an interview today. "However, there will be no age limit attached to the entrance requirements. Last year in McAlester, Oklahoma, a woman 110 years of age won first place and a 5-year-old boy was second. We want to beat that record this year."

Mr. Joaquin explained that the only requirement was to register for the parade at the Ward store sometime before June 27. There is no entry fee or obligation. Any make or type of bike may be ridden in the parade and prizes will be awarded solely on the basis of originality. Judges will be named shortly to select the winner. Prizes of five, three and two dollars in sporting goods merchandise will be awarded by Wards for the three best decorated bikes.

On the basis of last year's parade, which was held in a number of towns and cities, anything can be expected in the way of costume and decoration. Santa Claus and May Queens, Chinamen and quaint colonial ladies, huge birds of unusual shape and color and even "ocean going" vessels were represented.

AT REDWOOD

Upper photo shows Franchot Tone and Madge Evans in a scene from "Exclusive Story," a thrilling newspaper drama exposing racketeers. Lower scene shows Jack Oakie and two lovely chorines from the musical comedy "Collegiate." Co-starred with Oakie in this film is Joe Penner and his duck. On the same program is the "Vacation Daze Revue" featuring 40 local children on the stage in songs and dances. These features are on the program playing tonight and Saturday at the Redwood Theatre.

Wharf Appeal Item for R. C. Thought Near

Ickes Wins Release Of $300,000,000 Revolving Fund

WASHINGTON, June 18.—(IP)—Congressional action was completed today on the $2,376,597,000 relief deficiency bill, one of the principle stumbling blocks in the way of adjournment.

The senate sent the bill to the White House after agreeing with house action knocking out the proposal to resurvey the Florida ship canal.

As finally agreed upon the relief deficiency bill gives President Roosevelt sole control over distribution of the relief fund, and permits PWA Administrator Harold Ickes wider use of the $300,000,000 revolving fund so that grants as well as loans can be made for public works projects.

The relief fund of $1,425,000,000 is intended largely for continuance of Harry Hopkin's WPA activities. It was included as part of the $2,355,000,000 relief deficiency appropriation measure carrying funds for many federal activities including the Tennessee Valley Authority and Social Security Board.

FUNDS ANTICIPATED

Final passage of the relief deficiency bill including the $300,000,000 PWA fund is expected to assure the grant of $66,000 asked by Redwood City toward the $172,000 wharf facilities to be constructed in Redwood City harbor.

The grant of the $66,000 to Redwood City, when secured, will result in the cancelation by the city council of $66,000 of bonds voted June 11.

Congressman John J. McGrath and public works administration officials have reported the item depended upon congress granting the additional demands.

Success of Ickes' demand does not automatically assure Redwood City the funds, but the Citizens' Harbor Committee today forwarded a reminder to the PWA officials that the bond issue submitted here June 11 carried with it the proviso that the sum was subject to the cancelation.

Acting City Manager Charles Dimmit has notified State PWA Director A. D. Wilder of the success of the bonds, and Congressman McGrath has notified the Washington office.

40 Children Taking Part In Show Here

Ten feature acts of music and dancing, in which 40 local children will participate, will be presented by pupils of Miss Dorothy Roberts in a "Vacation Days Review" to be produced at tonight's performance and Saturday matinee and evening at the Redwood Theatre.

The program will include "Button Up Your Overcoat," a group number; Mariann Schweickert in a "Waltz Clog;" "Sunday Afternoon," with Barbara Davis, Shirley Johnson, Lee Devens and Drury McCarthy; an acrobatic control number by Betty and Maria Kinney; song and dance number by Joyce Bevilockway and Joan Locker; "Alice Blue Gown," with Janice Fuller, Joyce Reed, Mariann Schweickert, Dorothy Fitzmaurice and Nancy Christiansen; Irish jig by Nancy Christiansen and Jackie Schmimmel; "Black and White," group number; song by Joyce Reed, and a "Fast Buck Dance," by Drury McCarthy.

POOLE MAPS THIRD TERM BALLOT BID

Third District Board Member Completing 10 Years in Post

John W. Poole, 918 Blandford boulevard, retired head of the Poole Transfer & Storage Company, 831 Jefferson avenue, today announced his candidacy for re-election as supervisor of the Third (Redwood City) Township.

Mr. Poole has held the post since March 21, 1927, under appointment from Governor C. C. Young, and has twice been re-elected.

A native of Redwood City, Mr. Poole succeeded at the age of 15 to the management of the pioneer Poole drayage firm which his father, John Poole, had founded in 1871. He relinquished active management of the business to his son, John H. ("Jack") Poole, after 35 years in that capacity.

$251,509 Allotted County in PWA Work

In San Mateo county, from PWA inception and up to and including April 9, 1936, the Federal Emergency Administration of Public Works allotted $251,509 for eight non-federal projects, at an estimated cost of $904,449, it was announced by Donald Renshaw, state director for the National Emergency Council.

It was also revealed that for the entire state, $66,727,923 were allotted for 396 projects at an estimated cost of $135,933,745.

FIRMS FACING FEE ON EACH STORE UNIT

Auto Dealers in Two Locations May Pay Two Licenses

Local business men who pay only one license fee but have two or more places of business may soon have to pay the fee for each unit.

This became evident at Monday night's meeting of the city council when newly-elected member William Hohn disclosed that an interpretation given by him to the city's licensing ordinance No. 319 so provided.

As a result of his disclosure, the council ordered the question brought up again at its next meeting July 6 at which time City Atty. Albert Mansfield is expected to be present to rule on the question.

Hohn asserted in particular that some automobile dealers conducting a new car business in one location and a used car lot in another are only paying one license fee. His interpretation of the ordinance was that the $40 annual fee should be paid for each place, and that the same should apply to all business.

Mayor Paul McCarthy reported that he believed Attorney Mansfield had placed a different interpretation on the section of the ordinance in question. As a result, it was decided to delay any action leading to collection of additional licenses from merchants with multiple units of business.

Councilman Hohn also urged study of the entire licensing structure with a view to its revamping.

Talent Quest Winners Told By Safeway

Acclaimed one of the most successful new talent quests ever conducted in San Francisco and vicinity, the Fanchon & Marco-Safeway contest ended last Saturday with the naming of 222 winners, one winner for every Safeway store in San Francisco, San Bruno, San Mateo, Redwood City and Burlingame. These fortunate youngsters have each been awarded a 14 lesson scholarship in the Fanchon & Marco school of the theatre.

For the guidance of the parents of these children, the sponsors' announce that winners under eight years of age should report to the school at 9:30 a.m. Monday, June 22; children 8 to 12, the same day at 1:30 p.m.; and those 12 to 18, Tuesday, June 23, at 9:30 a.m.

The school is located at 25 Fulton street, directly opposite the new Federal building.

Canadian Farm Heads View County Gardens

Interested in seeing the districts from which come many of Canada's vegetables, Leonard S. McLean, commissioner of agriculture for Canada, and R. E. Olds, director of agriculture for British Columbia, Monday visited the Colma and coastside districts of San Mateo county, in company with Agricultural Commissioner Max J. Leonard. The fumigator at Colma particularly interested the visitors, Leonard said. A similar one may be built at Ottawa, they told him.

IN 'THE MOON'S OUR HOME'

Margaret Sullavan and Henry Fonda as they appear in "The Moon's Our Home," which will be shown at the Sequoia Theatre, Sunday, Monday and Tuesday. On the same bill will be Gene Stratton Porter's, "The Harvester," with Alice Brady and Ann Rutherford.

Commuters Asked To Aid in Fight On One-man Cars

An appeal to commuters to aid San Francisco and San Mateo counties in their fight against use of one-man street cars between uptown San Francisco and the Third and Townsend street depot was made today by the county planning commission.

Planning Engineer Ronald Campbell suggested that commuters write either to the commission or to The Tribune, telling of the extra time taken to reach their places of business from the depot as compared to the time taken before introduction of the one-man cars.

Campbell suggested the information be put in a form similar to the following:

"Prior to the installation of one-man cars, I used to travel from ..... street and ..... street, to Third and Townsend street station in ..... minutes. By means of the one-man cars now in operation, it takes me ..... minutes to make the same trip."

The letters should be signed, with address of the sender, and the information written, "I am a regular commuter."

Two $10,000 Homes Planned in Atherton

ATHERTON, June 17.—Two building permits for construction totaling $20,000 have been issued here this week, the Atherton building department announced today. The permits were to Mr. and Mrs. W. Klasen, for a $10,000 home on Park Lane between Elena and Santiago avenues, and to Mr. and Mrs. S. G. Herzog, for a $10,000 home on Selby Lane.

New arrivals at the Chicago zoo include two "long horned" antelopes which will not grow horns until next year.

New Graduate Hits S. M. Telephone Pole

SAN MATEO, June 16—Even a college education doesn't prevent a driver from smashing into telephone poles.

Stuart Eldredge Weaver of Spokane, Wash., who Sunday received his Stanford diploma "with distinction" in the school of engineering, was cut and bruised about the head last night when his car smashed into a pole on El Camino Real in San Mateo. Weaver received treatment at Mills Memorial Hospital.

Actor Richard Cromwell is painting an oil portrait of Katherine Hepburn.

At 18, Madeleine Carroll taught school at a girls' seminary in England for three months.

Two More in Race For County Board

Two more candidates were in the field for supervisor Tuesday.

Wrexford C. Greene, Millbrae plumber, secured Monday afternoon and filed today nomination papers for the position held by Albert Witt, and Richard T. McAlister, San Mateo pressman, took out papers for the post held at present by Walter M. High.

Three new candidates secured nomination papers for central committee. They were Jerome McDonald, Democratic, and E. H. Werder and W. E. Moore, Republican.

Supervisor Fred Beer, who had considered attempting to hold office without seeking re-election this year, filed his nomination papers this afternoon. As yet, he has no definite competition. One San Matean, J. W. Forsythe, who announced he would run, has not as yet secured papers at the local county clerk's office.

Morey of Menlo Park to Enter Third District Board Contest

Becoming the eighth candidate in the Third District and the 27th in the county, John W. Morey, Menlo Park building contractor and pioneer resident of that city, Tuesday began circulation of nomination blanks for the supervisorship now held by John W. Poole of Redwood City.

Morey is a member of the County Democratic Central Committee.

Others in this district besides Poole who already have filed for the post are Frank S. Becker, Eugene Folsom, and J. A. Peterson, while Irving F. Dunn, A. L. Belotti and William T. Casey still are circulating nomination blanks.

Supervisor Albert Witt has five prospective opponents; Board Chairman Manuel Francis, four; Supervisor Beer, three, and Supervisor High, who is not to seek re-election, three.

Already filed for Witt's post in the First District are Hugh H. Smith and W. T. Troy, while Mrs. Ella Chase, H. A. Cavassa and Wrexford C. Greene have papers.

From the coastside district to oppose Francis, Alvin Hatch, E. R. Hoffman and C. V. Thompson have filed and J. A. McCormack has taken out papers.

Those seeking High's post are James S. James and Charles Gerber, who have filed, and C. A. Buck and Allen Ward.

Beer's opponents are J. W. Forsythe, who took out papers today, and Richard T. MaAulister, at first listed as an opponent of High.

Filings for the supervisorships and all other offices close Saturday at midnight. Chief Deputy County Clerk William Augustus plans to remain in the clerk's office all afternoon Saturday, and will be available at his home during the evening for filing of papers, he said.

MENLO PARK NEWS

A wedding of unusual importance will take place tomorrow in the Church of the Nativity at an nuptial mass to be celebrated at 11 o'clock when John Morey and Miss Edna Walker will be united in marriage. Miss Pauline Hand of Palo Alto will be the bridesmaid, and Frank Morey, brother of the bridegroom, will be the best man. Father McKeon will celebrate the mass and officiate at the wedding. The wedding breakfast is to be served at the Allied Arts, Stanford Park. Beginning at 2 o'clock a reception will be held at the home of Mr. and Mrs. Walker. On their return from their honeymoon the young couple will reside in Stanford Park where they have taken a house.

Mrs. Catherine Derry and Mrs. Isabelle Lindquist are attending the Native Daughters' convention at Stockton this week as delegates from Menlo Parlor, N. D. G. W. Mrs. Derry has attended the Grand Parlor for many years. Both women have been active in the parlor for a long period.

James D. O'Kane left Tuesday for the Yosemite to spend ten days. He has taken a complete camping outfit with him.

Councilman John B. Welsh will seek a place on the Democratic County Committee. Mr. Welsh is a strong supporter and admirer of President Roosevelt.

Miss Meta Kugeler went to San Francisco Wednesday to be at the graduation of her niece, Miss Norma Parrent, from the Lowell High School. The young lady finished her course at the age of 16 years. Her mother was born and reared in Menlo Park, the daughter of Mrs. Charles Coxin.

A number of veterans received their bonus bonds Monday morning when the post office opened. Postmaster Morey had everything arranged to expedate the distribution of the baby bond. John Roach, who served overseas for a long period, received the largest sum, $785. Others who secured large amounts where Charles Burgess, Harry Walsh, William Feeley, all overseas men. Ex-Chief of Police Love also received a substantial sum. He was an executive officer at Camp Fremont.

W. H. Weeden has filed his nomination papers for the office of Republican County Committeeman. Mr. Weeden has held this position for many years. The Republicans of the county are going to launch a spirited campaign to carry the county for Landon and Knox.

W. T. Casey, who is a candidate for supervisor, is planning to make a vigorous campaign. He has a group of friends in the northern part of the county who will open headquarters there and begin canvassing for votes. Casey is a native of Redwood City, but has spent nearly all his life in Menlo Park. The other candidates from this locality are F. Becker and Mr. Folsom. Seven candidates will try for the coveted position, which has been filled for 10 years by John Poole, who is a candidate to succeed himself.

Miss Muriel L. Maloney of 655 Live Oak avenue, Menlo Park, a teacher at Sequoia Union High School, is to sail Saturday, June 20, aboard the Pennsylvania for a three-weeks stay in Mexico City. Traveling with her will be Miss Florence Schaffner of Burlingame.

Colman Struck By Car, Dies

3 Local People Hurt In Accident Near Redwood City

Raising the county's death toll due to automobile accidents to 20, Charles Malatesta, 60-year-old Colma rancher living on 88th avenue, died early Sunday, three hours after he had been struck by the machine of William Thein of Redwood City, who operates a restaurant at 445 Clement street, San Francisco.

The accident occurred as Malatesta was walking across Junipero Serra at School street, Daly City police reported. They arrested Thein, who secured his release on $500 bail. He was to appear today before the district attorney.

Malatesta, whose body was taken to the Laswell parlors in Daly City, is survived by a wife.

In an accident on the Bayshore just north of Redwood City Saturday afternoon, Adele Rich, 84; W. H. McCombs, 60, and his wife, Eula S., 59, all of 810 Fulton street, received cuts and bruises for which they were treated by a local physician, and Miss Manuela Hudson, 24, of Monterey suffered facial cuts which sent her to Mills Hospital. The accident happened, patrolmen said, when Miss Hudson's machine crashed into the car driven by McCombs, which was making a u-turn on the highway.

PROPERTY OWNER DIES

Associated Press wires today carried an account of the sudden death Monday in Belvedere of J. Frederick Hoskin, 63, San Francisco real estate owner and also owner of property on Broadway near El Camino Real. Hoskin collapsed and died in the postoffice at Belvedere, the press service reported.

1027 Degrees At Stanford

Graduates Are Told To 'Carry Share Of Common Load'

PALO ALTO, June 15—Stanford University's class of 1936 was leaving the campus today, following awarding of 1027 degrees, 702 to seniors and 325 to graduate students, at ceremonies in the Memorial Church yesterday afternoon.

The graduating class was sent away with President Ray Lyman Wilbur's admonition to "carry your share of the common load."

"We want you to be going somewhere," he said in a message read by Professor E. E. Robinson of the history department. Dr. Wilbur was indisposed and unable to appear personally.

"Accept responsibility. That is the measure of your education. The dodgers, buck-passers and evaders win no respect and can have none of the real joys that come with preparing for responsibility and living with the results of its acceptance.

DEDICATE CHARACTER

"You can keep the grindstone turning by a little management, without polishing the end of your nose."

In the baccalaureate sermon, Dr. D. Charles Gardner, retiring chaplain, asked the graduates to "dedicate your gifts and graces of mind and character, your learning and your skill, to civilization, reality and religion."

Dr. W. F. Durand, noted aerodynamics authority and emeritus professor of mechanical engineering, urged the graduates to make their own opportunities.

GIFTS ACKNOWLEDGED

President Wilbur acknowledged gifts to the institution aggregating more than $600,000 in the last year. Among the donations were: $1000 from the associated students toward a new memorial hall; $35,000 from Howard Frost of Los Angeles for the new outdoor theatre; $30,000 from Mrs. George B. Somers and $15,000 from the president's birthday ball commission for infantile paralysis research, and $19,950 from the estate of Arthur G. Duncombe for the journalism department.

THERE ARE SAILS AND SALES!

A FRIEND of ours is the wife of a seafaring man. She knows what "charting a course" means. She believes in it.

Her charts are the advertising pages of this paper. Before she starts a shopping trip, she plots her course. Here's a bargain in canned goods. There's a good buy in kitchen utensils. Here's a sale of shoes. Thus the fog of haphazard shopping lifts, and the course is clear. Time is saved. Energy is saved. Money is saved.

"Certainly," she tells us, "I would no sooner start on a shopping tour without having read the advertisements than my husband would try to navigate without his charts and compass."

• • •

Even if you have never set foot aboard a ship, you can chart your shopping course. Read the advertisements on these pages every day. Follow them as a mariner follows the weather report and see how much simpler and easier shopping becomes. Remember, an advertised product is a reliable product—it has to be.

SHERIFF MAY LOSE FOUR DEPUTIES IN NEW PLAN

Transfer of Aides to Social Service Bureau And District Attorney Being Studied By Civic League, Is Report

Feasibility of proposed changes in the staff of Sheriff James J. McGrath's office designed to reduce the number of employes there but give experienced investigators to the district attorney and social service department is under study of the Civic League, it was learned today.

Where the plan originated which would take from Sheriff McGrath two deputies and two constables, was not disclosed, but it was understood it had been considered by certain members of the board of supervisors. The board would have the power, it is believed, to make the changes.

Two of the seven constables would be transferred to the social service bureau, headed by Joseph G. Walker as superintendent. Two of the present investigators there would be eliminated under the plan.

This transfer still would leave Sheriff McGrath with five constables for civil work, one each in the Daly City, Burlingame, San Mateo, Redwood City and Coastside districts.

At present, besides the constables, the sheriff's force numbers eight deputies, including one civil deputy. Under the plan being studied, the civil deputy's work would be handled entirely by the constables.

Transfer of two deputies to Dist. Atty. Gilbert Ferrell's staff would leave McGrath with six deputies, two for jailers, two for court bailiffs and two for regular duties.

Status of the sheriff and Undersheriff Lawrence Nieri would be unaffected.

Advocates of the changes are understood to maintain that the sheriff's department is overmanned, while the district attorney is in dire need of investigators. He asked that provision be made for one in the new budget, but this was denied by the supervisors.

Proponents also claim the transfer of two constables to the social service bureau would give this department more experienced investigators.

Police Fortune Hunt Turns to Peninsula

Extension has been made of San Francisco's police graft investigation into San Mateo and other neighboring counties in an effort to learn if policemen of the bay city have bank accounts in these districts.

Under direction of Chief Investigator Edwin N. Atherton, the research has already been set underway by a corps of special investigators.

Marin and San Mateo counties, where some of the officers maintain summer homes, especially are being combed, it was said.

Corporation Yard Buildings Doomed

Notice had been conveyed today by City Manager Charles Dimmitt to M. L. Reese, operator of a second hand furniture store, to vacate the Old Corporation Yard premises on Chestnut street near Middlefield road.

The council, which instructed Dimmitt to take this course, plans to raze the buildings to permit the establishment of a playground there.

Carrot 'Tops' In Vegetables

Reason: Tops Assist Good Appearance In East Marts

The lowly carrot has come into its own as a king among vegetable crops, according to County Agricultural Commissioner Max J. Leonard.

San Mateo county has long produced volumes of carrots for local and shipping markets and has been noted for the quality of this agricultural product. However, this vegetable had not assumed first rank among other vegetable crops, according to Leonard, until recently when reports show that there is a total California harvest of 15,700 acres with a volume produced amounting to 8543 cars and with a farm value of $5,177,000. This places carrots in the same financial class as asparagus, canteloupes, peas and celery in state production.

Records in the commissioner's office show less than 150 acres planted to this crop in 1924. The top ice was required and the freight bill mounted, but growers found that by concentrating on "eye appeal" through packing and refrigeration, the dividends were more than sufficient to offset the increased expense. Certain scientific discoveries regarding the health-giving qualities of carrots also served to stimulate the sale of this California vegetable.

1936 figures show an excess of 1200 acres in this county. There are over 180,000 sacks produced with a farm value of $110,000.

"Back of the rather remarkable increase in carrot farming in California is an interesting record of the effect of progressive thought applied to a specific agricultural crop," Leonard said.

"Long schooled in the lessons of quality produce, California carrot growers turned that knowledge to good effect when they started carrot shipments on a major scale. They found that the appearance was an important factor in sales. To increase the attractiveness of their carrots, the California growers shipped their carrots in neatly tied bunches with the tops allowed to remain. It was this luxuriant top growth which set off the vegetables so effectively in Eastern markets when the chill winds of winter were still being felt that had a remarkable stimulus in carrot sales. Other states had been shipping carrots with the tops cut off, the result being that the vegetables often reached the market in an unattractive condition."

To keep the carrot tops green for a week or ten days en route, according to Leonard, considerable

Bonds Bear Picture Of Andrew Jackson

In case you are not a veteran and so may not see the bonus bonds being delivered in Redwood City and elsewhere throughout the United States this week, here's how they look:

The bonds are printed on green currency paper, and carry a picture of President Andrew Jackson.

Woman Loses $15,450 Action Over Poison Oak

Attempt of Olive J. Koempel of Redwood City to gain $15,450 for poison oak injuries suffered in Palo Alto had failed Wednesday.

Superior Judge P. F. Gosbey fo San Jose granted motion of Arnold Rumwell, attorney for Defendant Charles S. Eddy of Palo Alto, for a non-suit yesterday.

Miss Koempel, operator of a character analysis machine in a Palo Alto beauty shop, charged that she became infected with poison oak when she passed down the alleyway of the Cowper court apartments in Palo Alto, owned by Eddy.

As a result of the infection she lost her job by which she earned $354 per month, she claimed. At the trial before a jury of four women and eight men, she cited a Palo Alto city ordinance making it unlawful for property owners to allow poison oak to grow in the city.

The non-suit was granted after Miss Koempel's attorneys had presented their evidence and on the grounds that even if all the allegations were true, there was not a sufficient showing made to warrant a verdict against Eddy.

Archie M. Smith, who boasts of being only a "business man golfer," has scored an ace twice on the same hole on the Hattiesburg, Miss., Country course.

LEGAL
NOTICE OF TIME APPOINTED FOR HEARING PETITION FOR ORDER TO BORROW MONEY AND EXECUTE PROMISSORY NOTE AND DEED OF TRUST
No. 6137, Dept. No. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of BARTHOLOMEW SHEEHAN, also known as Bartholomew Sheehan, Sr., also known as B. Sheehan, also known as B. Sheehan, Sr., Deceased.

Notice is hereby given that Monday, the 22nd day of June, 1936, at the hour of ten o'clock A. M. of that day, and the Courtroom of said above entitled Court, Department No. 1 thereof, at the County Court-house, in Redwood City, in the County of San Mateo, State of California, have been fixed and appointed as the time and place for hearing the petition of Bank of America National Trust and Savings Association, the executor of the last will and testament of Bartholomew Sheehan, also known as Bartholomew Sheehan, Sr., also known as B. Sheehan, also known as B. Sheehan, Sr., deceased, for an order authorizing, empowering and directing it as such executor to borrow the sum of $4250.00, and to execute a promissory note in said sum and a deed of trust, and all persons interested in the estate of said deceased are hereby notified and directed to appear at the time and place above mentioned and show cause, if any they have, why the order prayed for should not be made.

The real property upon which said deed of trust is to be executed is described as follows:

All those certain lots, pieces or parcels of land situate, lying and being in the County of San Mateo, State of California, particularly described as follows, to-wit:

Lot numbered 1, 2, 3, 4, in Block numbered 18, as shown on that certain map entitled "Map of the Town of San Mateo, San Mateo County, Cal. As subdivided by C. B. Polhemus, Esq.", filed in the office of the County Recorder of San Mateo County, January 24, 1863, in Book 2 of Miscellaneous Records at page 95 and copied into Book 1 of Maps at page 45.

For further particulars reference is hereby made to the petition of said executor on file herein.

DATED: June 3rd, 1936.
E. B. HINMAN, Clerk.
By MURA B. STILLESON, Deputy Clerk.
KINCAID & FITZPATRICK, Attorneys for Petitioner.

One-man Car Fight Shifts

Rehearing Demanded Before Louderback On New Evidence

Scene of the renewed fight against one-man car operation in San Francisco will be set in the same court in which the City of San Francisco lost its decision a year ago, instead of in the circuit court of appeals, it was announced today.

Dep. City Atty. Heidelberg said in San Francisco that a rehearing of the case will be sought before Federal Judge Louderback on the grounds that newly-discovered evidence justifies reconsideration of the decision which brought a permanent injunction against the city enforcing its ordinance against operation of street cars with less than two platform men.

The petition for a rehearing will aver that schedules have not been maintained by one-man cars, particularly on busy runs, minor accidents have been due to their operation, and loading and unloading of passengers has been slow and difficult.

The signature of Acting Mayor Havenner and the permission of the U. S. circuit court will be necessary before the petition can be filed.

Should it be done, however, it is considered likely the San Mateo County Board of Supervisors will authorize Dist. Atty. Gilbert Ferrell to intervene in the case on behalf of the peninsula.

Chastain Makes Bid For Senator Post

J. C. Chastain, publisher of the Redwood City Standard, today secured nomination papers at the county clerk's office for the post of state senator, at the same time announcing he would seek election on both Democratic and Republic tickets.

The state office is now held by Harry Parkman of San Mateo. Edward V. Peterson of Lomita Park is also seeking the office, running on the Socialist ticket.

New candidates for county committeemen who have secured nomination papers are T. J. Broderick, Burlingame; Raymond Gallagher, Burlingame, and William Urquehart, Millbrae, all Democrats.

Board Decides To Reconsider Peddling Code

Merchants in Cities Who Peddle Outside Would Face Arrest

Discovery that the recently enacted "peddler's ordinance" imposing a $300 license fee on transient distributors of merchandise would react to the detriment of established business houses within the confines of incorporated cities in San Mateo county Monday led the board of supervisors to schedule reconsideration of the measure.

The disclosure was made by Asst. Dist. Atty. Daniel Sullivan, who explained that under the terms of the measure business houses who pay only a city license could not deliver outside the cities without getting a county license.

Present city licenses make the same provisions in regard to dealers in the unincorporated areas, except that city licenses are not as exhorbitant as provided in the new county measure.

Sullivan broached the subject when he asked the board if members were satisfied with the measure and would countenance arrests under it. It was understood several county business men had been affected by the measure, and were actually subject to arrest under its provisions.

Designed to keep out itinerant or transient peddlers of other counties, the ordinance, Sullivan explained, affected local dealers because it was unlawful to "set up tariff walls around our county."

Atty. Gen. U. S. Webb ruled only a week ago that while San Mateo county could tax outside druggists peddling in this county, they could not prohibit them from disposing of their wares here.

The board set Thursday evening at 7:30 o'clock as time to give further study, looking towards modification, to the ordinance.

At the same time the supervisors will also consider a proposed ordinance setting high fees on circuses and carnivals appearing in the unincorporated districts of the county. An ordinance proposed today provided for a fee of $300 for the first day and $200 daily thereafter for circuses seating more than 4,000 persons, and $150 and $100 fees for smaller shows, but it was informally agreed this figure was too high.

Local Church Worker Succumbs Suddenly

Mrs. Eva Thomas, a resident of Redwood City for the past 12 years, died suddenly Saturday night at the home of her son, Ivan Thomas, in Pacific Grove.

She leaves, besides the son, a daughter, Mrs. Bertha Hatfield of Portland, Ore. She was a member of the Congregational Church.

Frank Shellenback, manager of the San Diego Padres, has used the same baseball glove for 16 years.

VISITOR RECALLS BAPTISMAL RITE OF 50 YEARS AGO

When Leonard Faso, now Sequoia high school grounds superintendent, poured holy water over the head of Frank Motta in Sicily 50 years ago, he little thought that half a century later he would be receiving a visit in California from the child he was baptizing, now a Pittsburgh business man.

Motta came west to Reno to visit his brother, but hearing that his God-father lived on the peninsula, decided to extend his visit to meet the man who played a major part in an important event of his life but whom he had never known. This decision resulted in the visit Faso enjoyed from Motta during the past week.

Motta left Tuesday to return to Pittsburgh where he makes his home with his brother, Dr. P. G. Motta. He visited Santa Clara valley, the coastside and other peninsula points in the company of his God-father.

When the Washington Senators played Albany at Winter Garden, Bucky Harris expressed himself as deeply impressed with the play of Sammy Bell of Charlotte. Bell is the second baseman for the International league club.

SUMMONS
No. 25304—Dept. No. 2

IN THE SUPERIOR COURT OF IN AND FOR THE COUNTY OF SAN MATEO.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

JOE FREINE, as executor of the last will and testament of Victor J. Freine, also known as Victor Freine, Plaintiff.

vs.

W. E. BETTS, Defendant.

THE STATE OF CALIFORNIA The People of the State of California Send Greetings to: W. E. BETTS, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 4th day of February, A. D. 1936.

(SEAL)

E. B. HINMAN, Clerk.
By PAUL L. JOHNSON, Deputy Clerk.

Noted Engineer Dies; One-time Golf Champ

BURLINGAME, June 17.—Francis Gordon, 73, former civil engineer in Europe and an amateur golfer of note, having at one time held the amateur championship of the British Isles, died at a local sanitarium yesterday afternoon of heart trouble.

Mr. Gordon, who lived at 830 Crossway road, is survived by his wife, Helen, and eight children, six of whom live here.

For action as chief construction engineer on the Assoun Dam in Egypt at the headwaters of the Nile from 1898 to 1923, Mr. Gordon was decorated by Edward VII and George V for "valiant service to this country."

Two of his sons, Alex and John, are at present all-American soccer players.

Funeral services will be held at 9:30 a. m. tomorrow from the Crosby parlors.

$650,000 Paid For Bear Gulch Water System

Calif. Water Service Acquires Menlo Park Private System

Completion of the transaction whereby the Bear Gulch Water Company becomes the property of the California Water Service Company was made Monday with filing of the deed to the property in the office of Recorder T. C. Rice by the California Pacific Title and Trust Company.

Price paid for the Bear Gulch, which serves the Menlo Park district, was revealed as being $650,600, according to federal revenue stamps affixed to the indenture.

The deal is the largest water transaction since the purchase by San Francisco of the Spring Valley, according to T. J. Hallinan, local manager for California Pacific.

The California Water Service Corporation at the same time filed a trust indenture in the amount of $10,000,000 covering all of its properties in San Mateo and 14 other counties. The California Pacific Title and Trust Company wrote a $10,000,000 policy covering the trust indenture.

The indenture, representing a $10,000,000 bond issue already subscribed, was recorded simultaneously in San Mateo and 14 other counties today through wires which were held open for filing at the same moment.

The deed provides for transfer of all the business properties, franchises, water rights and equipment except for government, municipal and corporate bonds and cash on hand.

James K. Moffett, president, and Robert M. Underhill, secretary, executed the deed.

Sale of the Bear Gulch was voted April 21 by the board of directors. Permission was then secured from the railroad commission to make the sale. The California Water Service Company already serves the City of San Mateo and nearby water users.

Elizabeth Russell, photographers' model, refused nine film tests before her succesful one.

Colorado has the highest mean elevation in the Rocky Mountains, 6,800 feet. Wyoming is second at 6,700 feet.

Burial Grounds Here to Secure Beautification

Council Names Group To Work Out Policy For Cemetery Care

Union Cemetery on Woodside road, long regarded as an eyesore, will be vastly improved in appearance in the near future if plans formulated at Monday's meeting of the city council are carried through to completion.

Following appearance of representatives of veterans' organizations and auxiliaries, the city council, on motion of Councilman William Hohn and second of Councilman Evans Fletecher, authorized Mayor Paul McCarthy to appoint a committee of three councilmen and three citizens to determine upon a policy for the council to adopt which will result in improvement of appearance of the cemetery.

SIX APPOINTED

As a result, Mayor McCarthy today entrusted this work to the following committee members: Councilmen George W. McNulty, Evans A. Fletcher and William Hohn; Mrs. A. W. Nelson, Mrs. Emmett Donnelly and Maj. H. W. Edmonds.

Need for removal of "deplorable" conditions existing at the cemetery was called to the council's attention by Mrs. Nelson, 525 Vera street, who pointed out that in respect to the memory of many city pioneers, if for no other reason, the burial grounds should be kept in a more attractive condition. The fact the cemetery is located on an approach to the city was also stressed by Mrs. Nelson.

LEGION BEGINS STUDY

Others also spoke in favor of the improvements, including Maj. H. W. Edmonds, who revealed that already the Redwood City Post No. 105, American Legion, has begun studies to determine what could be done.

Ownership of the cemetery is now vested in the governor of California. Whether the property can be deeded to the city so it may arrange for its upkeep will be considered by the committee.

Prof. H. E. Wilcox, director of the Metropolitan Museum of Art in New York, has been made an honorary member of the Royal Asiatic Society of Great Britain for his work in Egyptology.

SECOND LOCAL BUSINESSMAN IN 41ST YEAR

Carl Muller Reaches Record Attained By Peter Ryan

Possessing a record believed shared by only one other man in the county, Carl Muller, tailor, who has his shop at 842 Main street, Tuesday was beginning his 41st year in continuous business in Redwood City.

It was on June 15, 1896, that Muller opened his first store on what is now Broadway but what then was known as Bridge street.

Five months before that, Peter A. Ryan had opened a drug store just around the corner on Main street, in the location now occupied by the Old Palace Market, 825 Main. It later was moved a half a block, then another half to its present location. Only a few years later Ryan started his second store at 2009 Broadway. Both have been operated since, Ryan celebrating his 40th anniversary in business last February.

Ryan and Muller believe they have been the longest in business continuously of all the merchants on the peninsula.

Muller, who has several customers who have worn nothing but clothes tailored by him since he came here those many years ago, has moved his place of business six times, but each move has been not more than a block and a half from his present location. He moved to his present store 11 years ago.

Always active in civic life, Muller saw culmination of one of his most cherished dreams last week with the voting of the harbor bonds.

He recalled how shortly after he came here, a move was launched for harbor development, but it was never carried through to completion. A number of similar starts were made, he said, and in them all he was active until the past few years.

"But I've always been a booster," he said. "I've never voted against a bond issue in my life."

With his wife, Muller lives at 504 Stambaugh street in a house he purchased in 1902. One married daughter, Mrs. Elsie Coburn, lives here; the other, Mrs. Marguerite Brown, in San Francisco.

Muller is a member of the chamber of commerce, Kiwanis Club and Masonic Lodge.

Often a girl with eyes like a dove has an appetite like an ostrich.

Our delicious pies and pastries appeal to all. Cakes for weddings and parties a specialty.
